Principal's Message

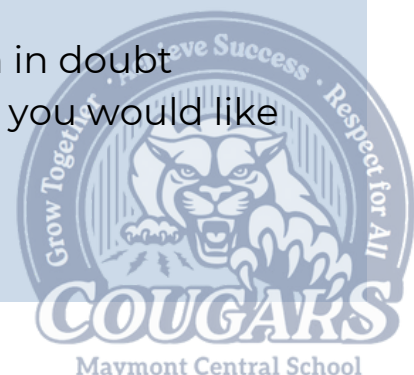

May and June are exceptionally busy times of the year for our school and many in our community. Despite how hectic it can sometimes feel I hope everyone is able to take time to enjoy the small moments. Events like track and field, soccer, field trips, swimming, golf, canoeing, awards, park day, graduation, and all sorts of other adventures form important memories in our lives.

Our COUGARS belief assembly this month was focused on respect. Big buddies were paired with little buddies to help build connections among our students. They asked each other "get to know you" questions and then talked about people they knew who they respected and why. Then as a large group students practiced modelling situations both respectfully and disrespectfully to better understand key differences in everyday interactions. For example, you're parents ask you to put the dishes away. A respectful way to respond would be, "Sure!" and a disrespectful way would be, "Ugh, fine."

It was a great way to remind everyone that even the smallest interactions in our day are important ways of respecting each other.

We will be reminding our big and little buddies to check in with each other for the rest of the year so be sure to ask who your child is paired with. Students were also challenged to make a poster with an inspirational quote on respect that will be voted on by staff and displayed in the school.

I hope everyone has a wonderful month of May and when in doubt remember the golden rule: "Say and treat others, the way you would like others to speak and act towards you."

PreK - Come Learn with us!

Pre-Kindergarten Registration 2025-2026 Is Now Open!

Pre-Kindergarten is an early childhood education program available at Maymont Central School. the Program is tailored to 4 year olds, however, 3 year olds may be considered too! Family engagement is a major component of Pre-Kindergarten. Engaging families includes connecting to the school, understanding how to support children in their growth and learning, and gaining skills in early childhood development.

Eligibility is determined based on a number of factors but we would be happy to answer any questions you have!

Online applications can be found at:
<https://registration.lskysd.ca/>

For more information please visit:
<https://www.saskatchewan.ca> or contact our Pre-Kindergarten teacher at melissa.meaker@lskysd.ca

SLC May Spirit Days

Spirit Days

May 8th - Anything but a backpack day

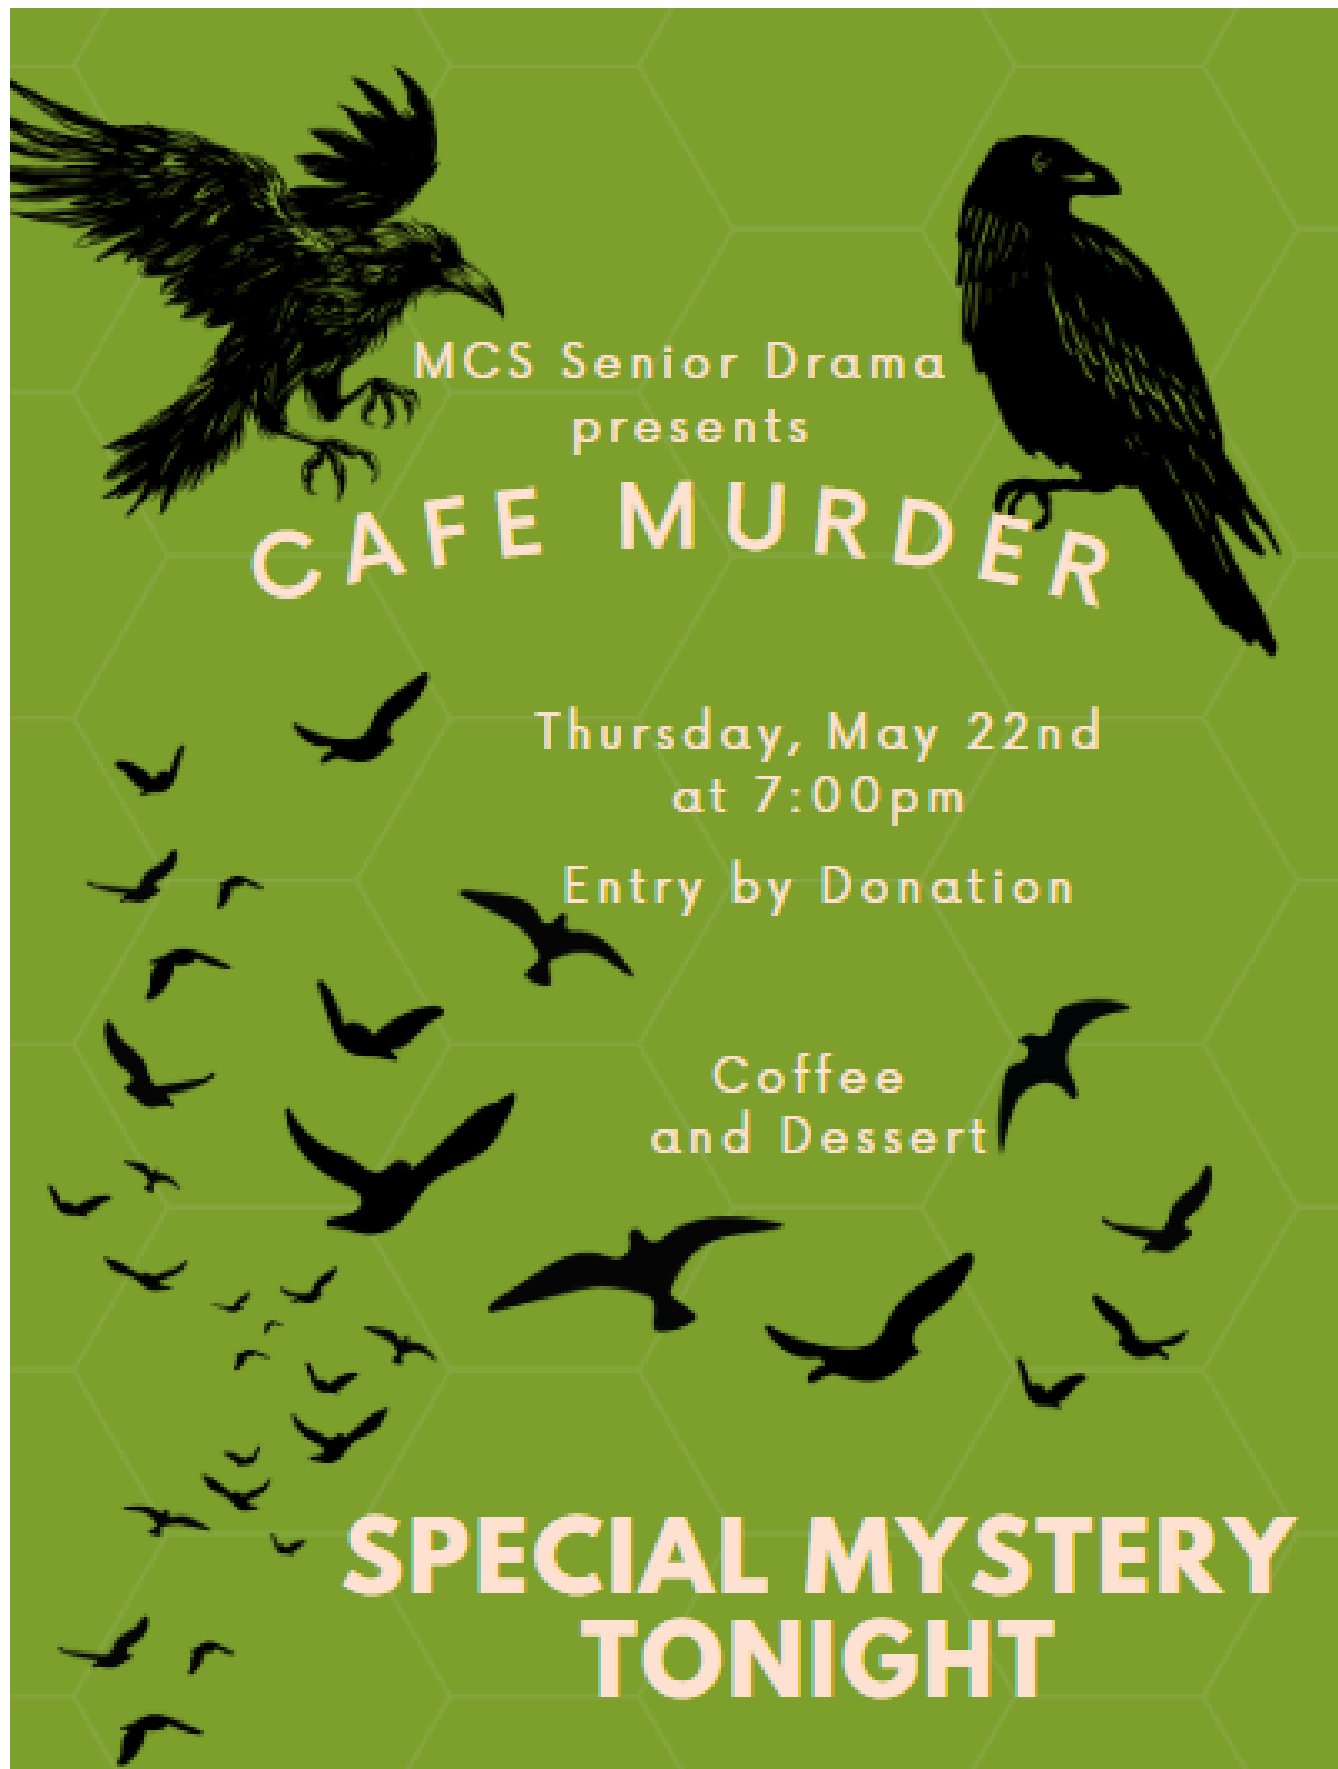

May 14th - Wacky Wednesday

May 23rd - Elderly day (dress up as an elderly person)

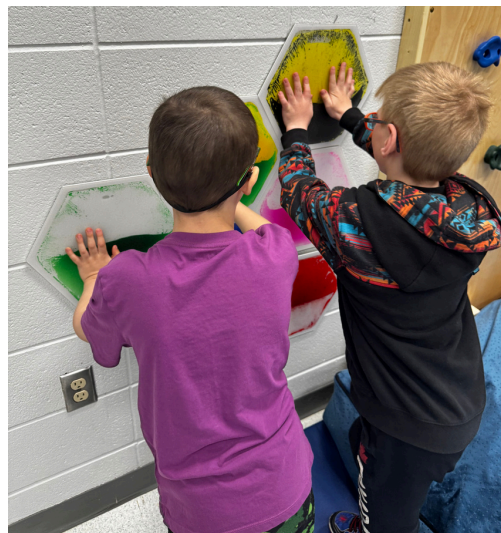

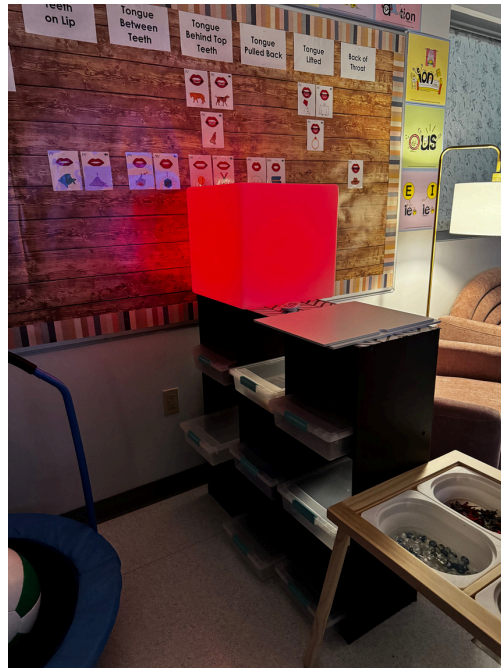

May 30th - PJ day

Sr. Drama Performance

Cougars Cool Down Cave Sensory Space

Living Sky School Division's Innovation Fund offers schools the opportunity to apply for a \$2,000 grant from either Sasktel or Coop. Maymont Central School was fortunate to be awarded the Sasktel Grant which allowed us to develop a Sensory Space which is a tool to help support regulation. We are so excited to show you all the work we have been doing in building this space! We have a wide variety of fidgets, a sensory bin, soft lighting, a light cube, gel tiles, and a climbing wall complete with crash pads! We held a competition in order to name that space which our Grade 6/7 class won. Our space is now called "The Cougars Cool Down Cave." A big thank you to Sasktel and Living Sky's Innovation Fund for sponsoring this project, it is already a well loved space to help support our students.

Cougars Cool Down Cave Sensory Space

Check Us Out!

PreK has been busy learning about phonics! The Heggerty Phonics Awareness Program is the phonics program we use every morning in PreK to support understanding of phonics. PreK especially enjoys how Mrs. Meeker makes a game out of their lesson for the day to help make learning about sounds fun! The PreK's are doing very well in their program and have already completed 29 weeks of it! The students are learning things that are taught in Kindergarten so that when they start Kindergarten they are prepared for the learning they will do which makes the transition to Kindergarten easier. Mrs. Meeker is so proud of all the student's hard work!

Check Us Out!

We were very excited to welcome the 25th Street Theatre company into our school in April! Students in Grades 2-9 watched the troupe perform *Luna* a play about a 12 year old girl who has built a time machine in her Dad's garage with plans of unfreezing her mother - who is trapped in time. Following the play students participated in activities with their homeroom. Grade 2/3 learned about Movement Storytelling, Grade 4/5 Built Puppets, Grade 6/7 participated in some Improvisational Acting, and Grade 8/9 learned about Script and Play Writing. It was a great day full of learning!

Check Us Out!

The Jr. Badminton Team had a great season this year! We kicked off the season with a tournament in Medstead and ended in Unity for our Battle West District Finals. A big congratulations to Parker for advancing to Districts! It was a great season full of growth and fun!

Check Us Out!

In Math 9 the students participated in a symmetry Easter egg painting activity. It was a great way to learn about the Math 9 outcome SS9.4!

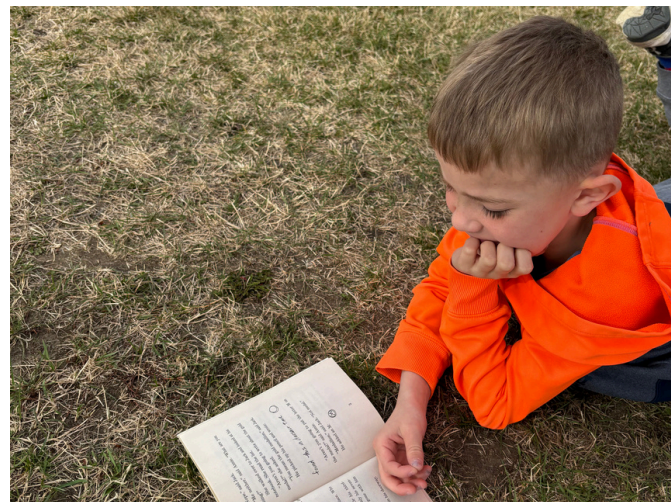

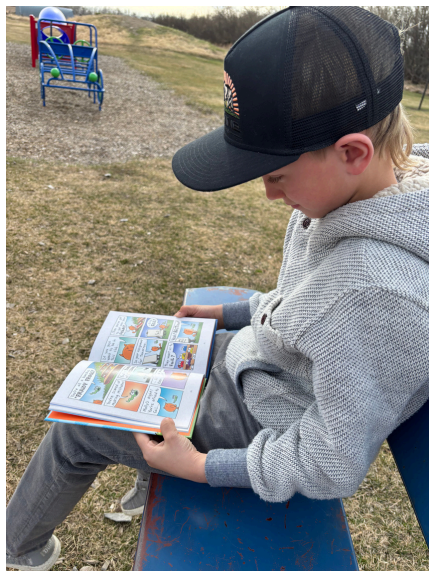

Check Us Out!

The Grade 2/3 students were excited to participate in a Math Easter Egg Hunt and learn about mass using non-standard units! Thanks Miss Hazelwood for planning an awesome math adventure for the class!

Check Us Out!

Grade 2/3 has also been out enjoying some outdoor reading this month! We can't wait for green grass, sunshine, and warm spring days!
